

**Call for Papers, Articles and Reviews for the Special Issue of
*Social Science Gazetteer (SSG)***

Theme: *Indian Sociology at Its Crossroads*

Indian Social Science Association's (ISSA) pioneering contributions can't be overstated. As human society is on the cusp of radical change, we have decided to bring out a thematic *Special Issue* of its journal *Social Science Gazetteer (SSG)* in December 2024. Professor Brij Mohan, Editor-in-Chief, SSG, has graciously agreed to curate, organize, and edit this ambitious thrust to memorialize Professor Rajeshwar Prasad. This project aims to signify '*Indian Sociological Imagination' (ISI)* as a vehicle as well as fulcrum of universal progress.

Indian Sociology at Its Crossroads, the unifying theme of this Special Issue, seeks original articles, papers, commentaries, and reviews--- within three to four thousand words (APA Bibliographic style)--- by the end of September 2024. ISSA invites all social scientists, especially sociologists, to reflect on the present and future of the *Indian Sociological Imagination (ISI)*.

Please submit your contributions to the Editor-in-Chief by October 1, 2024.
