

GUIDE LINES FOR CONTRIBUTORS

Fusion invites original unpublished research-based papers, articles, notes, book reviews in the area of Humanities, Science, Management and inter disciplinary approaches. A general guideline for contributors is given below:-

- 1. Manuscript**- The manuscript must be type written in duplicate using concise English containing 3000 to 5000 words. (6 to 10 A-4 size pages) leaving 4 cm margin on all sides of the page.
- 2. Abstracts** – All the Manuscripts should include an abstract of about 250 words and key words (Maximum-6).
- 3. Footnotes** – All footnotes should be indicated by serial numbers marked as superscript in the text and cited under 'Notes' at the end of the manuscript bearing corresponding numbers.
- 4. Tables and Figures** – The tables/Figures should be numbered in serial order of appearance (Table 1, Table 2, Figurer 1 etc.). Type each table on a separate sheet giving the corresponding table number and the table caption. Each table must include headings for all columns and rows. Figures must be drawn using black ink on separate sheet and marked with the corresponding figure number and caption at the bottom.
- 5. References** – References should be embedded in the text indicated by a serial number in a square bracket. Reference may also be made to the first author only along with a serial number. For example Bogardus 1940: 45 [1]. Page numbers in the text are necessary only if the cited portion is a direct quote.
